

# Benchmark Task Forces

In the project meeting on November 20 2012 at UPC, after the November 2012 TUC meeting it was decided to start two benchmark task forces, on social networks and on semantic publishing. By November 2013, both task forces produced their first yearly activity reports:

- Semantic Publishing Benchmark (SPB) Task Force - [LDBC\\_SPB\\_Report\\_Nov2013.pdf](#)
- Social Network Benchmark (SNB) Task Force - [LDBC\\_SNB\\_Report\\_Nov2013.pdf](#)

A data integration benchmark task force will be decided upon in 2013.
